

## The **NEW** REGAL Roll A-Way

Introducing the new REGAL Roll A-Way. The most convenient shred cabinet in the industry. It is built for the new office environment. The REGAL Roll A-Way is a lightweight, practical cabinet. It has all the proven features of the REGAL console with industry first rolling casters and an easy to service wooden box.

**RATED #1 BY OUR CUSTOMERS,**  
the Roll A-Way comes from the REGAL line of Cabinets. Your customers deserve the best with the good looks and toughness of the REGAL Ergo Cabinets.

It's no surprise that the REGAL Ergo Cabinets are the #1 Choice of Our Customers.

Email or give us a call, you'll talk to an owner.

### PRODUCT SPECIFICATIONS

- Space saving, slim design 12" wide x 17" deep x 24" high
- Functional: holds approximately 50+ lbs. of paper
- Easy to place: grab it by the handles to roll it under a desk or roll it out as a seat, the casters will hold up to 500 lbs.

## ADVANTAGE THROUGH INNOVATION

*Not long ago, we were all huddled up, working remotely. As we get back to the office, working hybrid, we find that some of our habits have changed. Your customer needs have changed. Claire and I took a new look at an old but critical need: securing your confidential documents in your new workspace.*

The REGAL Roll A-Way is the most convenient shred cabinet in the industry.

- It is built for the new workplace
- Lightweight, functionally focused and practical
- It is unique in the industry

### **BEST IN CLASS**

- The industry's first collection container made from 100% sustainable, durable natural wood material.
- The only shred cabinet in the industry with "ease of use casters".
- Perfect size: an attractive solution for the modern office.
