

Toter 4-Wheel Caster Carts

Industry-Leading Design & Durability

Offered by American Container Equipment & Supplies, LLC (ACES)

Engineered for Performance

The Toter 4-wheel caster cart is the only cart in the industry engineered from the ground up as a true 4-wheel design—not a post-production retrofit like many competitors.

Key Advantages

Unmatched Durability

- Constructed using Toter's rotational molding process
- Resilient to crushing impacts – bounces back into shape
- Built for long-term performance in harsh environments

Secure, Padlock-Ready Design

- Recommended models: ACC96 & ACC64 gallon carts
- Includes injection-molded lid with document slot and hasp locking system
- Compatible with standard industry padlocks
- ACES provides common padlock codes for convenience
- Offers greater long-term security vs. inbound locks

Time-Saving Pull Bar Assembly

- Factory-installed option allows towing of up to 3 carts at once
- Ideal for high-usage applications
- Exclusive to ACES—no competitor offers this feature as standard

Flexible Financing Options

North Star Leasing – Our Trusted Partner

- Competitive rates from a New England-based lender
- Years of experience with ACES customers
- Simple, transparent, and customized to your business needs
